Thank you for choosing UrbanCare, LLC as your healthcare provider. We are dedicated to your health and medical care. Thorough understanding of your financial responsibilities are an important element of your care and treatment. Please read this form carefully. Signature is required prior to any treatment.

CO-PAYS: Co-pays are due at the time of service. If co-pay is not paid, a \$10.00 fee will be added. If you do not have insurance, payment is due in full at the time of service.

INSURANCE: You are responsible for any co-payments, deductibles and non-covered services. It is your responsibility to understand your insurance coverage and benefits. We suggest that you call your insurance prior to having services done so that you understand your benefits. You are required to bring your insurance card to your office visit, we cannot bill your insurance without your card. If insurance information is not available you will be considered self-pay and responsible for payment at the time of service. Upon request, our staff will be happy to assist you in obtaining the specific terms of your health insurance policy. You are responsible for notifying Urbancare of any changes to your insurance and providing your new card. Failure to update Urbancare with insurance changes may result in patient responsibility for the entire bill.

SERVICES RENDERED TO MINORS: Any balance remaining after insurance is the responsibility of the accompanying adult at the specific visit.

PATIENT STATEMENTS: Patients will be billed monthly. Your balance is due in full within 30 days. Any balance not paid in full must be pre-approved by our billing department. Balances not paid in full will incur a \$20.00 rebilling fee each month there is a balance. Failure to pay your bill in full or to make payment arrangements will result in your account being sent to collection (additional collection fees will apply, not to exceed 50% of the unpaid balance). Any checks returned for non-sufficient funds will incur a \$25.00 charge. Initiation of collection proceedings may result in discharge from the practice.

MEDICAL RECORDS: Patients requesting their medical records are required to sign an authorization. Medical record copying fees under Illinois State law will apply.

APPOINTMENTS: UrbanCare, LLC reserves your appointment time especially for you. If you should need to cancel your appointment, please contact us at least 24 hours in advance of your appointment time. This will provide us ample time to offer your appointment time to another patient. If you do not show for an appointment or do not provide 24 hour cancellation notice, we will assess a \$50 fee to your account. Patients who are repeatedly cancelling appointments, late, or are continuously failing to keep their appointments, may be discharged from the practice.
